

# DEGRO CAPITAL

## The best in asset management

We meet the investment needs of our investors and shareholders.

# Reliable and Affordable

You can start small and grow with us

At Degro Capital, our mission is to support passionate entrepreneurs/investors in building great businesses and income flow. To do this, it takes more than just capital – it takes a trusted partner who understands the entrepreneurial and investment journey. In addition, while some company may be rattled at the first sign of trouble, we stand by our investors to help them navigate both the ups and the downs...

The company offers long term and short-term investment opportunities. Degro Capital is currently managed by a senior team, which has extensive experience in the development and implementation of systematic investment strategies. Degro Capital directors, together with the company's employees and Employee Benefit Trust, currently own approximately 98% of the company. Aspect employs a team of over 130 professionals and invests heavily in the on-going research-driven evolution of its quantitative alpha-generating systems and their efficient implementation across a wide range of liquid asset classes. The company emphasises strong corporate governance and the provision of first class investor service to a client base, which includes many of the world's leading institutional investors.

Our Support Department is at your disposal 24 hours a day, 7 days a week; all you need to do is to make a deposit using your most convenient payment processor and get in from time to time to withdraw profit. We make use of up-to-date anti-hacker technologies, to safely receive your deposit, pay out profits, Join Degro Capital today, and Let your money work for you, if you have any problems or further questions you are most welcome to contact us through our contact channels.
